

## MPBIM Students 2020-22 Batch visits BHEL, Electronics Division, Bangalore on 06/05/2022

MPBIM students visited BHEL Electronics Division, Bangalore, Mysore Road as part of Industry Visit on 06/05/2022.

BHEL manufactures a wide range of Power plant equipment and also caters to the industry sector. Some of them are: Automation & Control Systems, Solar Inverter, Traction, Power Electronic Systems, Remote Performance Data Monitoring System etc.

Students were briefed about manufacturing facilities at BHEL, Mysore Road, Electronics Division by BHEL Officials. The visit was immense value to the students informative and useful in understanding various processes at manufacturing enterprise. Prof. Rajalakshmi and Prof. Manjula accompanied the students.
