

Bio data of Dr. A T Bhashyam

Qualification:

- B.Sc. - Mysore University - 1959
- B.E.(Mech. Engg.) - Mysore University - 1963
- M.S. - University of Mississippi, USA - 1972
- Ph.D. - Indian Institute of Science - 1983

Fields of Expertise

- Computational Fluid Mechanics, Combustion and Heat Transfer, CAD/CAM/CIM
- Quality control, SPC & Quality Systems including ISO 9000
- Quantitative Techniques in Management
-

Professional Life:

- Long Academic experience of over five decades in the field of engineering and management.
- Former Professor & H.O.D. of Industrial & Production Engineering at S.J.College of Engineering, Mysore.
- Chief Executive (Projects), Office of the Director (Technical) JSS Mahavidyapeetha, Mysore & Project Director
- Served on several Boards of Examiners & Faculty of Engineering, in several universities. Specialization in computational fluid dynamics, combustion and Reacting flows.
- Guided many M.Tech & Ph.D. students. Have many publications in refereed journals. After retirement worked for over 12 years as Project Director of JSS Consultants - worked as team leader for several world bank projects. Also was in-charge of 3 new Engineering college projects for JSS group at Noida, Bangalore and Mauritius was Chairman, Mysore Centre of Institution of Engineers - also was on national board.
- **Taught first 6 batches of MBA students at University of Mysore as Visiting Professor**

- Served on several AICTE committees and on expert panels of CSIR labs – CFTRI, NAL.

Now serving as:

- a) Hon. Treasure, Bharatiya Vidya Bhavan, Mysore Kendra
- b) Director, Bhavan's Priyamvada Birla Institute of Management, Mysore
- c) Member Governing Council M.P. Birla Institute of Management, Associate Bharatiya Vidya Bhavan, Bangalore

Awards:

- 1) Minta Martin Award for best research paper given by American Institute of Aeronautics & Astronautics, USA**
- 2) Senior Engineer Award by Institutions of Engineers**
